

HORRA

Privacy Policy

Last updated: 23-09-2026

1. About Horra

This Privacy Policy explains how Horra ("Horra", "we", "us", or "our") may collect, use, store, and protect information provided by users in connection with the Horra website, application, products, and services. Horra is currently being developed, and this Policy may be updated as the product and its services develop.

2. What Data Is Being Collected

Depending on how you use Horra, we may collect information such as your name, phone number, email address, account information, and other information that you voluntarily provide to us. We may also collect information required to provide, maintain, secure, and improve Horra's services.

3. What We Do With the Data We Gather

We may use information to provide and operate Horra, create and manage user accounts, communicate with users, provide support, improve our products and services, maintain security, prevent misuse, comply with applicable legal requirements, and communicate important service-related information. Where applicable, we may also use information for communications that users have agreed to receive.

4. WhatsApp Communications

If Horra uses WhatsApp to communicate with users, we may process the phone number and information necessary to provide those communications. Horra will use WhatsApp communications in accordance with applicable WhatsApp and Meta requirements and applicable law. Users may request that certain communications stop, subject to communications that are necessary for providing the service or required by law.

5. Who We Share Your Data With

We may share information with service providers and technology providers that help us operate Horra, provide requested services, maintain systems, provide customer support, or protect the security of the service. We may also disclose information where required by applicable law, regulation, legal process, or a valid request from a governmental or law-enforcement authority.

6. How We Use Cookies

Horra may use cookies or similar technologies to operate the website, understand website usage, improve performance, and support security. You may be able to control cookies through your browser settings. Some website functions may not work properly if certain cookies are disabled.

7. Your Rights Relating to Your Data

Subject to applicable law, you may have rights to request access to, correction of, or deletion of certain personal information, and to withdraw consent where processing is based on consent. Requests can be made using the contact information provided on the Horra website.

8. How Long Will We Retain Your Information or Data?

We may retain information for as long as reasonably necessary to provide our services, maintain legitimate business records, comply with legal obligations, resolve disputes, enforce agreements, and protect our rights. Retention periods may vary depending on the type of information and applicable legal requirements.

9. Data Security

We take reasonable technical and organizational measures designed to protect information against unauthorized access, loss, misuse, alteration, or disclosure. However, no internet-based service can guarantee absolute security.

10. Data Deletion

If you want to request deletion of your Horra account or personal information, you can contact us using the support contact information published on the Horra website. We may need to verify your request before processing it. Certain information may be retained where required or permitted by applicable law.

11. Children's Privacy

Horra is not intended to knowingly collect personal information from children in violation of applicable law. If you believe that a child has provided personal information to Horra without appropriate authorization, please contact us so that we can review the matter.

12. Changes to This Policy

Horra may update this Privacy Policy periodically to reflect changes to our services, technology, legal requirements, or business practices. The latest version will be published on the Horra website with an updated date.

13. Queries / Grievance Contact

For privacy questions, data requests, or grievances relating to this Policy, please contact Horra through the support contact information published on our website.
